Hnos Ruiz S.L. is a volumen freight company. It was established in 1979, but it was born in th 40's, by the father/Grandfather of the 3 current bosses.

We are located in Pedrola, 35 kilometers away from the región capital, Saragossa and 5km away from Opel Spain and all their suppliers from this great industrial zone. That is the heart of the Ebro's Corridor. Here, transport is one of the most important part of the regional economy.

Our mainly Works are:

- Ware transport in all Europe. Our routes include:
  - Germany, Italy, France, England, The Netherlans, Luxembourg, Belgium, ...
- Ware transport in the whole Spain
  - Also we are able to take care about your materials in our warehouse

Our Fleet

- 24 Jumbos (Truck+Tow)
- 3 Trucks (5th Wheel)
- 3 Mega (Semitrailer)
